ANALYSIS

Your current required minimum distribution is \$4,736.83. Your projected RMDs as a beneficiary of a retirement plan have been calculated based on the input you provided and are illustrated in the chart and table below. Your first year's RMD may be withdrawn as late as April 1st of the year following the year in which you inherited the retirement plan, all other distributions must be made in the calendar year they are required. Please note that for the year of the account owner's death, the RMD due is the amount the account owner was required to withdraw and did not withdraw before death, if any.
